T28870 Marquee Clamp

Version 10/14

www.doughty-engineering.co.uk

1. Never exceed the Safe Working Load (SWL) shown on the clamp. (See previous page)
2. Only use the clamp within its designed parameters. (Clear Span Marquee Profile)
3. All clamps should be visually inspected before use. In the event of any damage the clamp should be taken out of service and returned to an 'Approved Doughty Service Agent' for inspection. (see our dealer locator on our web site for a comprehensive list of Authorised Service Agents)
4. When used in conjunction with other accessories, care must be taken to ensure that the minimum SWL of any component is not exceeded.
